Student AI Group

WHAT WE DO

A community to engage with artificial intelligence, *right now*.

Student AI Group

SAIG BRANCH

Technical Education

Speakers from the leading companies and universities.

Workshops, where you'll walk out with a practical skill you can use immediately.

Student AI Group

SAIG BRANCH

Ethics & Policy

Speakers from government and non-profits.

Reading contentious cases. Discussing with peers.

Watching Science Fiction!

Student AI Group

SAIG BRANCH

Projects & Fall Hackathon

All skills are needed and welcome! — ML Engineers, Frontend Developers, Product Managers, Content Creators.

Come with friends or find teammates in SAIG!

We'll invite academia and industry to share our prototypes at the end of each quarter, starting Winter.

Student AI Group

JOIN OUR TEAM!

Leadership Program

For students interested in becoming a board member in following school year.

We’re looking for people interested in: operations, public relations, finances, technical education, ethical education.

Link to application will be sent out on October 15th. Due October 22nd, 11:59PM.
